#### Notes about major requirements:

A grade of "C" or better in Human Sciences and Design Courses (ADM, CFS, HSD, ID, or NUTR) and all professional electives used for the major

An approved, on-site internship is required following the completion of prerequisite courses.

The required, for-credit course, CFS 4390 (listed above), provides credit for the internship experience.

Students interested in applying to Occupational Therapy programs should review the prerequisite course requirements as each OT program will vary in their expectations.

\*Lifetime Fitness - Either PUBH 1145 or PPS 1100 may be substituted for one LF course

updated: 3/2021

**Notes about General Requirements:**

- Please keep in mind that this is only a suggested sequence. Actual sequence will vary according to possible second major, minor, other program of study (including pre-health), and individual circumstances (ex., transfer credit, dual credit, and credit by exam).
- In order to complete your degree, you must fulfill all requirements in your major and general requirements for the Robbins College Bachelor of Science.
- To complete a double major, you may not count any courses toward both majors.
- For more specific information on general requirements, see the undergraduate catalog.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
