All students must graduate with a minimum of 124 hours, 36 of which must be at the 3000/4000 level.

Notes about major requirements:

– Students must have completed and earned a "B" or better in each of the following courses before continuing with upper level CSD courses: CSD 1308, 2318, 2351, and 3357. Please see the course catalog for additional prerequisite(s) requirements.

– Minimum 3.0 GPA average in the CSD courses required for retention in the major.

– Students planning a career in speech pathology are encouraged to pursue a master's degree. Upon completion of the master's degree in communication sciences & disorders, students are eligible to seek certification by the American Speech-Language-Hearing Association (ASHA) & to seek licensure as speech pathologists. Students planning a career in audiology will pursue an audiology doctorate (AuD) after earning their bachelor of science degree.

*ASHA required courses (ASHA requires that students complete courses in Biological Science, Physical Science, Statistics, and (2) Social & Behavioral Sciences; Psychology is strongly recommended to meet one Social Science requirement)

Notes about General Requirements:

- Please keep in mind that this is only a suggested sequence. Actual sequence will vary according to possible second major, minor, other program of study (including pre-health), and individual circumstances (ex., transfer credit, dual credit, and credit by exam).
- In order to complete your degree, you must fulfill all requirements in your major and general requirements for the Robbins Bachelor of Science.
- To complete a double major, you may not count any courses toward both majors.
- For more specific information on general requirements, see the undergraduate catalog.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
