Bachelor of Science in Education – With All Level Physical Education
Master of Science in Sports Pedagogy Joint Degree Program

Admission

Undergraduate students in the ALPE program can apply for the BSEd/MS joint program at the end of their junior year. Applicants must be ALPE majors and have a GPA of 2.75 or higher in both total hours and in the major prior to applying for the program and have satisfactorily completed additional teacher certification eFolio requirements prior to applying for the teacher certification. Applicants must obtain approval of the undergraduate ALPE advisor and program director, approval from the graduate Sport Pedagogy director, and they will be admitted with provisional status until they have completed at least one semester of graduate work.

At the end of the junior year, candidates with 90 or more undergraduate hours and a GPA of 3.0 or better may continue the joint degree program. Those who do not have a 3.0 or better and those who choose to withdraw from the joint degree program will be allowed to finish the BSEd in ALPE if they meet undergraduate requirements for teacher certification. The BSEd degree will be awarded with the MS upon completion of all degree requirements.

Requirements/Qualifications

To obtain a BSEd/MS in the joint degree program, a student must complete all hours in both the undergraduate ALPE program and the Master of Science in Sport Pedagogy program. ALPE candidates with 90 undergraduate hours and a 3.0 GPA will be eligible to apply for the MS in Sport Pedagogy. Upon acceptance into the MS Sport Pedagogy program, students will be eligible to take the graduate level courses.

A maximum of 15 credit hours of coursework (MS level courses) will count towards both degrees. These 15 credit hours include the following MS courses, which are already embedded in the 36 credit hour MS degree (see undergraduate catalog):

HP 5V90	Internship (6 credit hours)
HP 5354	Methods: Strength/Conditioning (3 credit hours)
HP 5335	Sports Pedagogy (3 credit hours)
HP 5384	Biomechanics of Human Movement (3 credit hours)

Joint degree students must take an additional 9 credit hours of undergraduate elective coursework to reach the required 124 undergraduate hours. These 9 elective credit hours in combination with the 15 hours of above count for TED 4670, 4671, 4672, and 4673 (undergraduate PE internship coursework).
